User	MICHAEL AMISTA'		Added on	20 Nov 2024	Last modified		5 Dec 202	
Activity	Advanced ICT	Certifi	cations		CFU: 2	Documents for Approval (if needed):		
	Proposal Detail (if needed):		ne activity involves attending the following 3 courses offered by Akkademy (Lightbend) about the Reactive Architecture , asically the ones that allowed me to conclude the series of courses began with a previous approved other training activity:					
		1) Bu	lding Scalable Systems (https://akkademy.akka.io/learn/courses/8/reactive-architecture4-building-scalable-systems);					
		2) Di	tributed Messaging Patterns (https://akkademy.akka.io/learn/courses/9/reactive-architecture5-distributed-messaging-					
		3) CO	QRS & Event So	urcing (https://akkad	emy.akka.io/lear	n/courses/10/reactive-architecture6-cqrs-event-sourcing).		
			link of each course contains all the necessary information to assess this activity in terms of contents, evaluation and the ification.					
		offer	erms of completion time and effort this activity is equal to the previous one already approved (the first three courses red by Akka - Lightbend about reactive architectures), that's why I'm asking for 2 CFU also for this one. Thank you in ance for the attention.
