Regulations for the loan service of the MobileLab devices

General information

The loan service of the MobileLab devices is intended exclusively for the institutional users of the University of Padua with a @unipd/@studenti.unipd.it email account.

Whoever takes a MobileLab device for rent is responsible for:

- the security of the device during the loan period,
- legal or technical issues related to applications installation ad
- damages to the integrity of the device for browsing the Internet on unsafe websites.

Loan

- The MobileLab device can be rented at the information and loans desk of the Library (Floor -1) with a valid university document;
- The loan expires at 22:45 (10:45 pm) on the same day;
- When returned, the library staff will check for any damages.

Loss, theft, damages, and disruptions

- In case of loss or theft of the device or of any other component, the person who borrowed the device will have to pay the replacement costs.
- In case of damages or disruptions, the library staff or the technical staff of the IT service of the Department will establish if the problem is related to improper use of the device; in that case, the person will have to pay the restoration costs.

Regulations for the usage of the IT resources

Whoever uses the Loan service of the MobileLab devices is obliged to follow what is established by laws and regulations about privacy, IT and network security, and the correct usage of electronic resources.
